

December 3, 2007

Dear Employers:

I enthusiastically invite your company to take part in the annual Career Fair that will take place at Benjamin Franklin Institute of Technology on Thursday, March 27, 2008. The event will be held at 41 Berkeley Street in the South End of Boston in the school's auditorium and foyer. While we were excited with last year's response our goal is to increase the number of employers each year!

BFIT has been a leader in technological education for almost one-hundred years and offers the following Associate Degree and one-year certificate programs:

Architectural Technology  
Automotive Technology (Associates and Bachelor of Science Degree)  
Computer Technology Program  
Computer Engineering Technology  
Electrical Technology  
Electronic Engineering Technology  
Mechanical Engineering Technology  
Medical Electronics Engineering Technology (Biomedical Technology)  
Opticianry  
HVAC+R (One-year Certificate)  
Marine Technology (One-Year Certificate)  
Pharmacy Technology (One-Year Certificate)  
Practical Electricity (One-Year Certificate)

In addition to their respective major's core courses, all of our students matriculate in various liberal arts classes with a focus on both qualitative and quantitative skills. Students leave BFIT with confidence, character, initiative, and readiness to contribute positively to society.

Participation in the BFIT Career Fair is free. Lunch and a reserved table will be provided by the college. Please reserve your space for the fair by calling the BFIT Career Services office at 617-423-4630 x119 or email: [mblackman@bfit.edu](mailto:mblackman@bfit.edu). The deadline to reserve your space is Friday, March 7, 2008. Please share this correspondence and the attached poster with other companies and organizations. We hope you join us for this special event.

Warmly,

Dave Drucker  
Dean of Students

Mark Blackman  
Director of Career and Alumni Services
